All 43 U.S. presidents have carried European royal bloodlines into office? 34 have been genetic descendants from just one person, Charlemagne, the brutal eighth century King of the Franks. 19 of them directly descended from King Edward III of England. In fact, the presidential candidate with the most royal genes has won every single American election.

"Although I hold the highest civil honor in the world, I have always regarded my rank and title as a Past Grand Master of Masons the greatest honor that had ever come to me."

I refer you to the UNITED STATES CODE (note the capitalization, indicating the corporation, not the Republic) Title 28 3002 (15) (A) (B) (C). It is stated unequivocally that the UNITED STATES is a corporation.

Corp Satanic Measurements (crossposted)

From the Amendment, enacted to protect rights of freed slaves, was used routinely to grant corporations constitutional "personhood." Justices have since struck down hundreds of local, state and federal laws enacted to protect people from corporate harm based on this premise. Armed with these "rights," corporations increased control over resources, jobs, commerce, politicians, even judges

Washington, DC is NOT part of America. It's a completely independent city-state which is owned by globalist bankers, used for worldwide military power, and funded by American citizens. Washington DC will never fix America's problems

When you are born, your parents register you with the government AS A CORPORATION by receiving and signing a birth certificate. In a few years, your CORPORATION will receive a taxpayer ID# called a social security number, NIS number, IRD number etc., depending on where you are. This is so you can be used as collateral for the government to acquire debt. Your labour, time and energy backs up the National Debt. You are Stock!

THE TWO OF FIGURES OF BUNDLES OF STICKS TO THE LEFT AND RIGHT ON THE WALL ARE CALLED FASCES. THEY ARE THE SYMBOL OF ROME'S AUTHORITY OVER AMERICA.
