

# The Jesuit Oath

The Counter-Reformation War

I furthermore promise and declare that I will, when opportunity present, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus.

Obama surrounded by Roman Catholic/Jesuit Trained Intelligence Leaders

My history of the Jesuits is not eloquently written, but it is supported by unquestionable authorities, [and] is very particular and very horrible. Their [the Jesuit 'order'] restoration [in 1814 by Pope Pius VII] is indeed a step toward darkness, cruelty, despotism, [and] death. ... I do not like the appearance of the Jesuits. If ever here was a body of men who merited eternal damnation on earth and in ell, it is this Society of [Ignatius e] Loyola."

"I FEEL MORE AND MORE EVERY DAY THAT IT IS NOT AGAINST THE AMERICANS OF THE SOUTH, ALONE, I AM FIGHTING."

This crown of thorns was sent to Jefferson Davis by Pope Pius IX in sympathy for Davis' post war treatment by the US government while a prisoner at Fortress Monroe.

## The First Jesuit Pope

Pope to use Lincoln's Gettysburg lectern in Philadelphia

WHO'S BEHIND ABRAHAM LINCOLN'S ASSASSINATION?  
Aug 7, 2015 - (AP) When Pope Francis speaks outside Philadelphia's Independence Hall in September, he will stand at the same lectern that President Abraham Lincoln used to deliver the Gettysburg Address. Conservators will remove the lectern from its display space at the Union League of Philadelphia later this month to prepare it for the pontiff's speech. Lincoln used the lectern Nov. 19, 1863, to dedicate part of the Civil War battlefield at Gettysburg as a cemetery. His two-minute address became one of the most famous speeches in American history. It ended with Lincoln's resolution that "this nation, under God, shall have a new birth of freedom — and that government of the people, by the people, for the people, shall not perish from the earth."
