So complete dwarf the surrounding architecture that from the story Mansions you could see all four of them simultaneously.

**THE GLOBE LIE**

You are spinning 1000 mph  
 You flying through space 66,000 mph  
 You are upside down and rightside up  
 You are in an endless universe  
 The Sun is 92M miles away and is nuclear  
 The Moon is 250K miles and can be landed on  
 The atmosphere is stuck to Earth as it spins  
 There are billions of Earth-like planets  
 The Sun is the same as the stars  
 Stars are trillions to quintillions of miles away  
 We could be struck any moment by a meteor  
 You are accidental and a product of stardust  
 You are a product of evolution
